

O O B I Q ARCHITECTS

## ABOUT

**OBIQ ARCHITECTS** is a boutique architectural and interior consultancy practice that delivers bespoke design service, tailored to our clients' wants and needs. From Master-planning to Architectural Design, Interior Design to Furniture & Fixtures supply, we pride ourselves with our ability to provide cost-effective design solutions with uncompromising quality that enhances our clients' investments in a long run. We make your dreams and your needs our ultimate goals.

Our broad spectrum of project experience in various building sectors across the globe allow us to provide design services with an injection of cultural awareness that is unique and site specific to local construction technique and material resources, plus a splash of style from our multi-international team and European FF&E supply resources.
